

Message from the Committee

The Committee takes great pleasure in inviting you to join them in celebrating the Opening of the 2023/2024 Season of the Goolwa Aquatic Club.

The Goolwa Aquatic Club plays a big part in the development of on water activities in Goolwa. Our great history and tradition of providing diverse aquatic activities is unique.

The Goolwa Aquatic Club activities include Speed Boats, Vintage Boats, Dragon Boats, Sail Training, Dinghy sailing and cruising with social members.

GAC Sailing have had continued strong interest with their Sailing Training Clinic in January with many graduates making their way in the sport of competitive sailing with Goolwa Dinghy Sailing this year.

Vintage Boats are always a great sight to see out on the water and we look forward to hosting the conclusion of several races here at the Club.

Visit the Club website www.goolwaaquaticclub.com for full aquatic programs for the year and the Club Facebook page for all Club activities.
